

## PRESS RELEASE

Moorcrofts were delighted to act for the Integrity Software Group of Companies on the acquisition by Integrity Software Systems Limited of Mardak Limited. Integrity Software have provided market leading software applications in construction, the Hair and Beauty industry and Specialist Retail sectors for over 20 years. Mardak Limited is a well-respected provider of accounting and business management software solutions to the construction and related sectors, and will join Integrity Software's Construction Division, which already supplies Evolution to the construction industry.

Adrian Phillips, Managing Partner of Moorcrofts, who led the Moorcrofts' team, commented: *"We have been acting for Integrity Software for a number of years now on a range of work, and we were delighted to help them in this acquisition. I look forward to continuing to build our working relationship with the enlarged Integrity Software Group."*

Joe Hanly, Finance Director of Integrity Software, said *"This was an important acquisition for Integrity Software, expanding our product range and demonstrating our dedication to the development of business management technology for the Construction sector. Moorcrofts advised us throughout the transaction process from heads of terms through to financing the deal. Adrian and his team provided us with sound, pragmatic legal support with an excellent appreciation of the commercial considerations and always willing to go the extra mile to ensure the deal is concluded within the agreed timeframe"*.
